Dear Jordan:

We are pleased to send you a set of the new *Inspiration Series* on elegant outdoor living, including the title that features your project on the cover. While all of the photography contained in the pages of these books represents similar accomplishments, not all can be honored with the cover. We thank you for allowing Manor House to demonstrate to our readers how special outdoor living can be.

The idea behind this series is to present the principles of high-achievement and excellence that is attained by homeowners, designers, and creators of exceptional outdoor spaces. Your project helps illustrate this ideal and is sure to inspire homeowners to build their own distinctive backyard venues.

If you need additional copies, please call Patti Plummer with your order. She can be reached at 215-259-1377 or by email at [pplummer@luxurypools.com](mailto:pplummer@luxurypools.com).

Again, I thank you for your allowing us to showcase your work in this dynamic new series. Please, feel free to call me with any questions about this new initiative.

Warm Regards,
